

Skinner Blend Template 3 Color (version 1)

Purpose: Use as guides for clay cutouts in skinner blending. Stack two layers of clay to get twice the amount of gradient.
C = number of color, inches = width

Single Layer Total mass = 12g
Double Layer Total mass = 24g

Single Layer Total mass = 24g
Double Layer Total mass = 48g

* NOTE: mass of each color also labeled on the template itself in grams
